

PARENTAL CONSENT FOR COVID-19 ADMINISTRATION

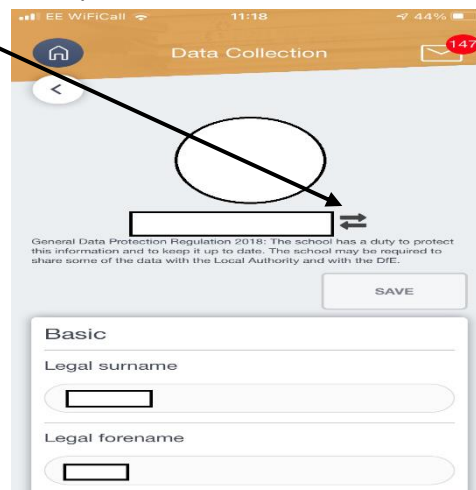

IF USING EDULINK ON MOBILE PHONE APP:

Step 1. Open the Edulink app on your device.

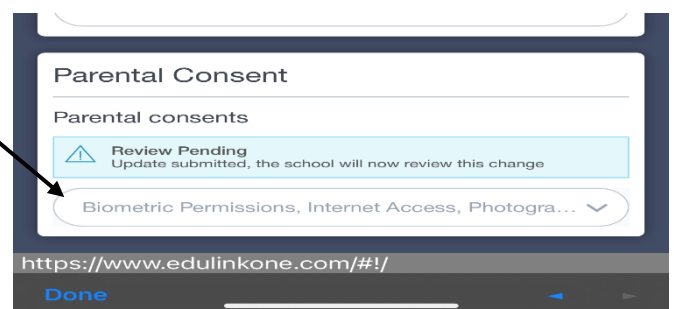

Step 2. go to update information.

Step 3. Click on the double ended arrow and select your child.

Step 4. After selecting your child, scroll to the bottom of the page and you will see parental consent, tap on this and tick the box for COVID LFT.

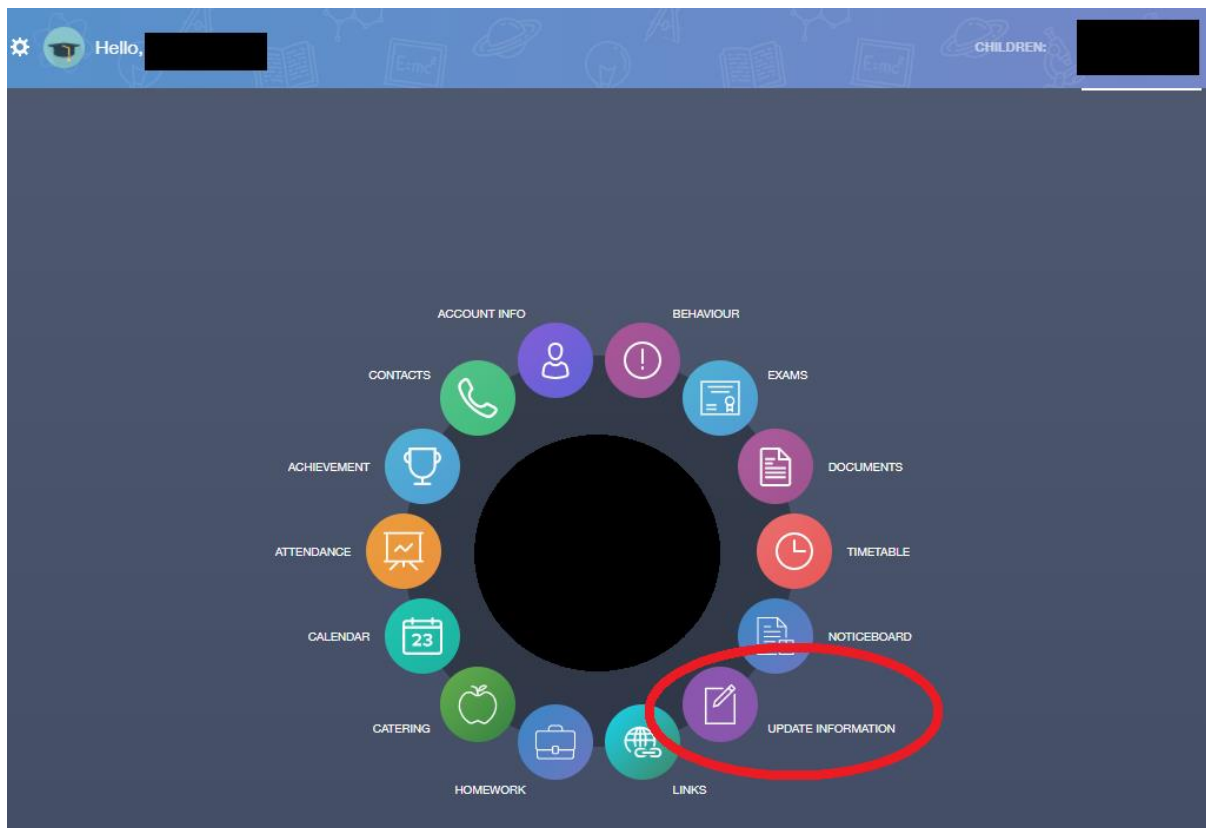

Step 5. Finally scroll to the top of your page and tap save.

Step 6. Repeat steps 3-5 for any other children.

IF USING EDULINK ON DESK TOP OR LAPTOP:

Login to Edulink at <https://www.edulinkone.com/#!/login?id=74> and select **Update Information**.

Select your child on the left hand panel. Then scroll to **Parental Consent**, tick **Covid LFT consent** and click **Save**. Repeat this step for **all children**.

A screenshot of the Edulink 'Parental Consent' form. The form is white with a purple sidebar on the left. It contains several dropdown menus for 'Religion' (Christian), 'Home language' (English), 'First language' (English), 'Travel mode' (Walk), and 'Route'. Below these is the 'Parental Consent' section, which is circled in red. It includes a 'Parental consents' dropdown menu with the text 'Biometric Permissions, Photograph Student, School Visit'. At the bottom right of the form, there is a green 'SAVE' button, also circled in red. A small disclaimer is visible at the bottom of the form: 'General Data Protection Regulation (GDPR) 2018. We are committed to protect this information and to keep it up to date. The school may be required to share some of the data with the Local Authority and with the...'
