1<sup>st</sup> March 2021

Dear Parent/Carer

As promised in my letter of 24th February please find below the schedule for the CV-19 tests for Monday 8<sup>th</sup> March and Tuesday 9<sup>th</sup> March.

- Please look up the time of your child(ren)'s test times and share that information with them
- As you can see there are circa 500 tests each day and we need students to arrive at the correct times
- Students should go straight to the side door of the leisure centre where they will be greeted and supported by KKS staff including their form tutor and head of year where possible
- Please could students arrive at the leisure centre 5 minutes (no more please) ahead of their test time
- On the journey to and from the leisure centre students must follow the national social distancing rules – sorry, no meeting up in groups
- There may be some socially distanced queuing whilst waiting to go into the leisure centre so please dress warmly just in case
- All students will be required to wear a mask
- We will register the children for testing, you do not need to do this at home
- Once students have self-tested they go home – there is no waiting after testing
- Results will be sent to the child's school email address. We will make direct contact with any parent/carers of a child that has tested positive as they will need to self-isolate for 10 days
- Students should not attend if they have any CV-19 symptoms. If they have, please arrange a test via the NHS - <https://www.gov.uk/get-coronavirus-test-od-dial-119>
- Please find here a 'How to do your test' poster explaining the test process: [How to do your test COVID 19 instruction leaflet for schools.pdf](#)

## Monday 8<sup>th</sup> March

Form group	Monday 8 <sup>th</sup> March Time
