

Funding and Grant opportunities

There are a number of organisations in the UK which offer grants and funding to individuals. Below is a range of links which may give opportunities for pupils to access support towards educational opportunities. If you would like support in the application process please contact Mrs. Fiona Derbyshire (fderbyshire@kksa.co.uk). If you become aware of further funding opportunities please let us know so we can add to the list! Also if your business / organisation would like to offer a grant to pupils at KKS, we would be happy to talk through your ideas.
