Once again thank you for expressing an interest in the position, I look forward to receiving your application and learning more about how you think you might contribute to our school community.

Background Information

Our School

Kirkbie Kendal is a popular and over-subscribed mixed comprehensive school for students aged between 11 and 18. There are currently 1039 students on the school roll. The school has a proud history with its origins in the 'Free Schole' which was founded in 1525. This became Kendal Grammar School and in 1980 it amalgamated with Kendal High School to form Kirkbie Kendal.

The school converted to Academy status in 2011 and is a stand-alone Academy. However, it works collaboratively with all of the other local secondary schools as a member of the South Lakes Federation and with local primary schools through the Kendal Collaborative Partnership. Collaboration and partnership working are important to us and have afforded us with many opportunities for sharing best practice, collaborative learning and continuing professional development for our staff.

The school had a short Ofsted inspection in December 2018 and maintained the grades from the full inspection that took place in September 2014. Our overall assessment was 'Good', with Outstanding for behaviour, safety, Sixth Form and spiritual, moral, social and cultural development.

Our Students

Our students are very welcoming, friendly and hard-working. They are proud of what they achieve and are eager to share and learn from each other. Our community is small enough to ensure that everyone matters, yet large enough to provide a wide and varied school life experience for everyone no matter what their abilities or interests. Pastoral care is based on the tutor groups, with Heads of Year leading teams of Form Tutors.

This is a school where the emphasis will always be on the quality of learning in the classroom and we have high academic ambitions for all of our students, as is borne out by our excellent and improving results on a year-by-year basis.

There is also a large and wide-ranging collection of extra-curricular activities available to our students including Art, Chess, Computer Club, Duke of Edinburgh's Award, Drama and Music with choirs and various bands (jazz, string, ensemble, flute and orchestra).

Sport also features heavily in our extra-curricular offer and we have excellent facilities and pitches with clubs and teams in rugby, hockey, football, netball, athletics and many more opportunities. Quite simply, there is something for everyone: enthusiasm, energy and skills development add a richness to our students' experience of school life.

Our staff team

We have a strong Senior Leadership Team, enthusiastic and dynamic Heads of Department and inspirational teaching staff who go that bit further to share their knowledge and love of learning with our students, to support them to succeed and to be ready for the next step in their lives after school. Academic excellence is important but so are the values of care, hard work and resilience, along with curiosity, which equip our students for their adult lives.

We have a strong and skilled group of support staff who make a valuable contribution to the running of the school. Our experienced and empathetic learning support team make a positive impact on students' learning pathways. Ours is a whole school team approach where everyone's involvement is acknowledged and valued.

We have an excellent Professional Development program with Early Career Framework trainers and mentors working alongside our ECTs, a thriving Teaching and Learning group who share the best current educational research with our teaching staff as well as curriculum leads who lead on subject network groups throughout the local area. Each year the school also welcomes trainee teachers from within the South Lakes Federation including the Dallam School Teaching Alliance.

There will always be a lot to do, but plenty of will and commitment among the staff, governors and parents to improve the school for the young people and adults who work here. The staff like working here, even though there is so much to do and time seems short. You will need stamina and energy, therefore, if you are serious about joining us and wanting to make a difference in peoples' lives.

Our facilities

We have a range of buildings, some of which date back to the nineteenth century and this brings a charm and sense of uniqueness to the school. Facilities are constantly being improved and over recent years we have opened a dance studio and a project work room for our Sixth Form as well as refurbishing our Creative and Performing Arts Centre.

Our capital bids have been very successful and over the last few years we have secured £2.5m of Government investment to improve our building infrastructure. This has included roofing and window replacement projects along with a Fire Safety and Compliance project to link the school fire alarm and replace fire doors and emergency lighting.

Our location

Kendal is a lovely area in which to live and work. We are on the fringes of the Lake District and the western edge of the Yorkshire Dales National Park. The town itself is a thriving market town with a wealth of leisure, cultural and sporting opportunities on our doorstep. There are good transport links and road networks to other parts of the country. The university city of Lancaster and its wide range of facilities are less than half an hour away.

Department Information

The Mathematics team currently consists of eight specialist teachers and one Academic Tutor. This includes the Head of Department, second i/c and third i/c and five other Maths teachers.

The department has a good blend of age and experience and gets along extremely well together as a team. The department regularly enjoys mentoring PGCE Maths students in their teaching practice.

The aims of the department are:

- to ensure that every student, regardless of ability, reaches their full potential.
- to ensure that each student on leaving school is numerate, has sufficient skills for the career of their choice, and will understand the mathematics likely to be encountered in daily adult life.
- to enable students, through their enjoyment of the subject, to acquire the logical abilities characteristic of the mathematician, and to develop an interest in the historical, recreational and cultural aspects of mathematics.

In Years 7 to 11, students are grouped according to their ability within 'half-year' populations. For Key Stage 3, students follow a carefully constructed Scheme of Work that builds on prior knowledge before they progress, and offers opportunities for extending more able students.

In KS4, our Year 11 students are currently taking the OCR linear GCSE. We encourage as many students as possible to aim for the Higher tier, and there is a high rate of success.

Post-16 courses include A level and AS level in Mathematics and Further Mathematics. In the Sixth Form, class sizes vary according to student options. We use Edexcel for A level Mathematics and Further Maths.

The Maths classrooms are located in new, purpose-built accommodation. We currently have six classrooms and a staff office. Each classroom is equipped with projector, a visualiser and interactive whiteboard. Each teacher is provided with a school laptop. The majority of homework is delivered through Sparx Maths, and we have subscriptions to other packages such as Mathswatch, MathsBox, GoTeach Maths and MathsPad.

The successful candidate will join a well-established and highly effective department. Results at Key Stage 3, Key Stage 4 and A level have been very good, with pass rates consistently above the national average (at 4+ (88%), 5+ (71%) and 7+ (32%)) and with a very positive value-added score.

Kirkbie Kendal School is committed to safeguarding and promoting the welfare and well-being of its students, and expects all staff and volunteers to share this commitment.

Important note

These guidance notes are designed to assist applicants in completing the editable version of the job application form.

Please read the notes carefully before completing your Job Application Form.

Equality and Diversity

Applications are welcome from all sectors of the community. No job applicant will be treated less favourably because of his or her sex, race, colour, ethnic origin, age, marital status, disability, religion or belief, sexual orientation, or by any other condition or requirement that cannot be shown to be justified.

In order to help us ensure that this policy is being carried out, please complete the information required on the Equality & Diversity Monitoring Form (please click [here](#)). **This form will be separated from the application form on receipt and used for monitoring purposes only. It will not form part of the interviewing and selection process.**

Any information provided on the Equality & Diversity Form is treated as 'sensitive' data. The monitoring of this data will enable the school to be aware of the diversity of its employees so it can then support, help and provide advice to employees where needed.

Data Protection

Should you be unsuccessful in your application, all details that you submit will be held for a maximum of six months and will then be disposed of as confidential waste. If you are successful in your application this information will be kept securely as part of your personal employment record.

Advice on Completing the Application Form

Before completing the application form, applicants are advised to read through the application pack, in particular the job description, person specification and other information provided by the school.

All sections of the application form must be completed. **Curriculum Vitae are not accepted.**

The application form will be photocopied and circulated to those members of staff that will be involved in the appointment. Applicants are requested to complete the form **using Black ink or return it electronically having typed the information.**

Please complete each section in each part of the form. Should there be insufficient space for all your details (e.g. on courses attended) please feel free to continue on a separate piece of paper in any section.

The Letter of Application

A separate supporting letter of application should be submitted with this form. The letter, which should supplement the information provided on the form, will be regarded as an important part of your application.

This letter is your opportunity to convince the selection panel that you are a strong contender for the post, and to differentiate yourself from other equally well-qualified candidates. The letter can be typed or hand-written and should be no more than two sides of A4.

Selection is about fitting the person to the job. The letter should therefore clearly convey your views of what you believe you could bring to the particular post for which you are applying. Tailoring the letter to the particular post means studying the details of the post and relating your own skills, experience and knowledge to the stated requirements. However, simply having done something does not demonstrate valuable experience or good practice. You should aim to show how you have learnt from your past experience and that you can transfer that learning to a new context.

Your letter and application form will be used initially for shortlisting for interview and may be referred to during the selection process. The recruitment panel will need to gain enough evidence about how you meet the requirements of the person specification to be able to shortlist you for interview.

Section One

Applicants should ensure that the post for which they are applying for is clearly stated at the top of the application form.

Asylum and Immigration Act 1996

All applicants are required to complete this section.

The Asylum and Immigration Act 1996 makes it a criminal offence for an employer to employ those who do not have permission to live or work in the United Kingdom. Applicants invited to interview will be required to provide documentary evidence of their right to live and work in the United Kingdom.

Rehabilitation of Offenders Act 1974

All applicants are required to complete this section.

Posts requiring a DBS (Disclosure and Barring Service) check are exempt from the Rehabilitation of Offenders Act 1974 legislation. Shortlisted candidates for such posts will be expected to provide details of **all** previous criminal convictions and cautions. A disclosure would, for example, be required for posts where the post holder is required to work with or come into contact with children and/ or vulnerable adults eg, any post working directly within a school environment. A Criminal Record Self Disclosure form will be provided to shortlisted candidates for completion. Candidates will be asked to complete and email this form to HR at least one day prior to the interview date.

References

Applicants must provide two references. One reference must be from your current employer (Headteacher/line manager) or if unemployed, your last employer. The second referee should be the previous employer. Where possible, references should be from separate sources and not from the same organisation or employer. In addition, where an applicant is not currently working with children, but has done so in the past, the school reserves the right to request a reference from the employer by whom the applicant was most recently employed to work with children.

References will always be requested directly from the referee. Any provided by the applicant or open references, ie those prefixed by 'To whom it may concern' will not be accepted under any circumstances.

In the case of school leavers, the reference should be from your Headteacher.

All referees should have known to you for at least one year or more and cannot be from a spouse, partner, friend or relation or from someone with whom you live.

The school will contact referees for verification. Please ensure that you have permission to provide their details on the application form.

Internal applicants who have been with the school for a year or longer need only provide one referee from a colleague more senior to you and whom you have known for at least one year or more. This should not be your line manager where they are part of the interview panel for the post for which you are applying.

Section Two

Secondary and Further Education

Applicants should complete this section to the best of their ability. In particular, applicants should ensure that all qualifications and grades relevant to the post for which they are applying are included in the application form.

Applicants should also include examinations undertaken and detail where results are awaited.

Teaching Applications

Only applicants applying for teaching positions need complete this section.

Previous Employment

All applicants must complete the previous employment sections ensuring any gaps in employment are accounted for. Indication of time off for a career break, for caring responsibilities, for study or travel or absences from work due to a disability will not prejudice your application for employment with the school.

All offers of employment will be conditional upon the receipt of at least two good written references.

Section Three

Declaration

Applicants must ensure they sign the declaration to certify that the information provided on the application form is correct. If you submit the application form electronically you will be asked to sign the form at interview if you are shortlisted. Please note that if you provide false information or deliberately omit any relevant details your application will be withdrawn from the recruitment process. All applications must be received by the published closing date and time. Only those applications received before dates and time on the specified closing date will be considered.
